But, historical events in the eighteenth century like the signing of treaties with Maratha forces happened at the fort. The fort also has another intriguing history attached to it. During the construction of the fort, something things strange used to happen every single day; whatever was built during the day used to collapse at night.

The Met’s Timeline of Art History pairs essays and works of art with chronologies and tells the story of art and global culture through the collection.
21-02-2011 · This is from the opening chapters of Zinn's comprehensive revisionist history of the United States. The following chapters on the American War of Independence are very eye-opening for anyone who got a standard US elementary school education on the subject, exploring how acts of rebellion by the nation's poor and enslaved people were hijacked by the emerging ...
